

CHIK-DO RANGE Operations

Update: March 21th 2022

Please use the Kotar Range guide as a reference for:

- Pattern functionality for multi-ship operations

Refer to: [/Docs/03 KTO Charts/South Korea/Kotar/_Kotar_Guide.pdf](#)

Please note that Chik-Do visual cues and run in headings will vary from Kotar.

For restrictions and Run-in headings please refer to the Chik-Do range charts in this folder.
A detailed Chik-Do range guide will be added in future BMS versions.
